To whom it may concern

Adonai Cleaning services has contracted to Much Asphalt since July 2022 as our cleaning service provider, they have done an outstanding job for us, and we confidently make this recommendation for their service.

They value both time and money and deliver their service on stipulated deadline. The same can be said about their pricing policy which is competitively priced. We are satisfied with the way they conduct their business and hope that you have the same pleasant experience with them.

We greatly appreciate your dedicated service for these past year.

Sincerely yours
